On site pick up is \$175.00**. All fees must be paid in advance of the shipment of semen or use of frozen semen. VISA and Master Card are accepted. In addition, prior to the first shipment of semen all breeding fees must be paid in full.

Late orders will be serviced according to availability of semen.

**2. Shipment Limits:** Stallion owner reserves the right, at its sole discretion, to: (a) set a limit of 1 dose per mare per breeding cycle. We ask that all mares be set up properly for breeding. Should more than 3 shipments be requested for the same mare, the Stallion Owner may require a negative culture report to continue servicing the mare.

**3. Shipments:** Stallion Owner makes no warranty or guarantee, express or implied with respect to: (A) the semen, including but not limited to the warranty or fitness for a particular purpose; (B) the delivery of the semen within a certain time period or method; (C) that the semen will safely reach the insemination point without damage, viability, contamination or losing integrity, quality, or other characteristics; and (D) the services of any third party breeding facility.
